What a nice surprise Mitran!

Thank you for sending me your email all the way from Boston! Did you know that Boston is one of Mrs. Claus' favourite places? The other thing she really likes is to read all your wonderful emails. As a matter of fact, she was just asking if I had heard from you lately!

Great flying fruitcakes, Mitran! I still remember bringing you your very first Christmas present and here you are 5 years old already! I hope you are getting excited about Christmas because I am really looking forward to visiting your home! Rudolph said he's really excited about visiting your home too! I also hear you've been a good boy. (Of course, you won't mind if I do a little checking, will you? **HO!! Ho!! ho!!**).

Well bless my whiskers! Thank you for saying you love me! I love you too Mitran. As the elves would say, I love you lots like jelly tots! **HO!! Ho!! ho!!**

Let's see what you put in your letter for Christmas wishes: 1. geotrax; 2. mariokart and; 3. cars
2. **HO!! Ho!! ho!!** That's exactly what I thought you might like! I'm thinking of putting some of those on my wish list too! Of course, I never get everything I  have on my wish list -- but then again, it wouldn't be much fun if I always got everything I wanted. Then there would never be any surprise!

Well, I better go feed the reindeer and polish Rudolph's nose with nose wax. Have to make sure everything's ready for the big day! Take care Mitran and don't forget to come back and visit me here at EmailSanta.com on Christmas Eve!! And remember... only 15 more sleeps until Christmas!!

With All My Heart,

Santa Claus
